GRADUATE SPEAKER CHALLENGES TO SPIRITUAL REFORMATION

By Mike Bagdanovich, one of two senior commencement speakers

Two years ago during the commencement ceremony at Harvard University, Aleksandr Isaevich Solzhenitsyn addressed the graduating class with words that stunned our nation. With his perspective as an outsider to our culture, he exposed the flaws in our society as he saw them. His main complaint against American culture was that Americans have no courage. He said we are a cowardly nation, and he is right. Solzhenitsyn cited as example the continual retreat of American influence in the face of Soviet aggression. And he cited many other examples, all of which have only grown worse since his speech.

The American Spirit is Lazy

Further, Solzhenitsyn said that the reason America has no courage is because of a lack of spirituality. The difference between Europeans and Americans is the European's spirit has been forged and honed by years of persecution and hardship. While the American spirit has grown fat and lazy by years of wanton pleasure.

Two years ago, many agreed with Solzhenitsyn's assessment; today even more do. But even though he has a remarkably clear view of the American predicament, he has no answer. According to his philosophy, the only way America can be healed is by undergoing persecution and hardship. That is no real answer to our dilemma. He clearly identified the problem, but he had no answer.

School of Faith

Thirty-four hundred years ago another commencement ceremony was being held. It was not at a large prestigious university like Harvard, but rather in a very small school stuck out in the middle of nowhere, in the hot sands of the desert on the east side of the river of Jordan. Though this commencement was seemingly insignificant, its influence has been felt the world over.

The student body was small; in fact, it numbered but one. The reason it was so small was because the program was so long and hard—forty years in the desert. The student's name was Joshua.

For forty years, God was teaching Joshua in the desert, with his assistant professor named Moses. The curriculum at first would seem simple—faith. For forty years God was teaching Joshua faith. Joshua saw with his own eyes the parting of the Red Sea. He saw the fire of God on the mountain. He saw the face of Moses as it shone with the glory of God. Joshua saw the cloud leading by day and the pillar of fire leading by night. He saw Moses strike the rock and he saw the water gush out. He saw God provide their food every day and protect their clothes from wear. He saw God defeat the enemy before the nation of Israel. And through all of this, Joshua was learning to trust God when troubles came. He learned to look to God, not to man.

Therefore, when Joshua was to graduate from the school of the desert, God Himself spoke to him saying:

No man will be able to stand against you all the days of your life. Just as I have been with Moses I will be with you. I will not fail you or forsake you. Be **strong** and **courageous**, for you shall give this people possession of the land which I swore to their fathers to give them. Only be **strong** and **courageous**, to be careful to do according to all the law which Moses My servant commanded you: do not turn from it to the right or to the left, so that you may have success wherever you go. This book of the law shall not depart from your mouth, but you shall meditate on it day and night, so that you may be careful to do according to all that is written in it; for then you will make your way prosperous, and then you will have success. Have I not commanded you? Be **strong** and **courageous**! Do not tremble or be dismayed, for the Lord your God is with you wherever you go.

Here was Joshua, leading a band of trembling Jews to attack a band of mighty warriors. God says, "Be strong and courageous!" God did not suggest, he commanded! He also commanded Joshua to continually study God's Word, and not to stray from it either to the right or to the left. God said that if Joshua obeyed God's commandments and walked in them, he would be successful. There was no doubt in what God said. Joshua would be successful.

Five Years Left for America

Men and women, we live in a society that is characterized by fear, anxiety, and cowardice. Time is running out on our nation. Francis A. Schaeffer said recently that he believes our nation will only stand another five years. Five years, think about that. He believes our culture will collapse in five years, unless there is a **spiritual reformation** on a scale unprecedented in American history.

Men and women, it is up to us to trust God and allow him to work through us to carry out this reformation. No one else will do it, and we may only have five years. We must be successful. This is one time when defeat will truly mean disaster.

Reformation or Judgment

God has shown us how we can be successful. We must stay in His Word, meditating on it day and night. Secondly, we must walk in His commandments. We must not stray to the right or to the left, caught up in the hassle of the society of our day. And third, we must go into our places in society and proclaim the gospel with a spirit of strength and courage; or else we will stand before our God and answer why we did not.

God has promised success. We must learn the faith that Joshua knew. We must trust God to divide the sea. We must trust God to bring water out of the rock. And we must trust God to defeat our enemies before us. This is the only way we will bring about the necessary spiritual reformation.

Men and women, God has commanded us to go forth. Let us go forth in a spirit of courage and strength.

Second Generation Graduates Share Impressions

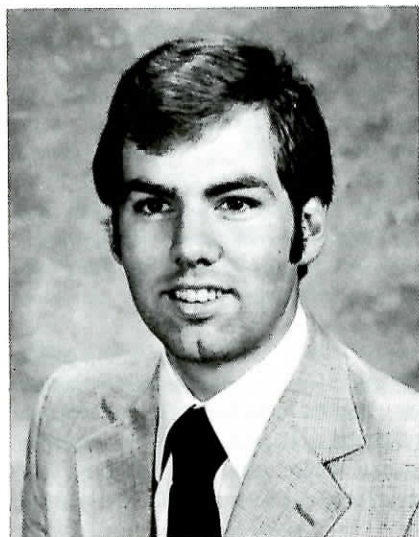

DAVE MARVIN

Before coming to Bryan I was given some advice that seems very significant now that my four years of college have come to a close. That advice was, "Don't let your studies interfere with your education." Although I thought the advice was rather humorous at the time, I found it to be very good advice as I went through my four years of college.

During my stay at Bryan I learned as much about life through teachers, students, and extra-curricular activities as I could hope to learn. This was just complementary to what I learned from the books or academic aspects of school.

As a second generation student, it has been very rewarding to me to see that Bryan College has only changed for the better over the years; but college officials remain the same on their overall stand for the Lord. With a wonderful faculty which exemplifies through their lifestyle the motto of the school, and an administration that keeps things going, it has been a pleasant experience for me these past four years. I have learned much here at Bryan, not just through books, but through these wonderful people who continue to uphold "Christ Above All."

Dave Marvin '80

CATHY JEWETT

When I graduated the first time from Bryan College in 1964 I decided I could do it again. I must admit that my first graduation did not involve quite as much as did my second, since the first was from Bryan College kindergarten. I honestly believe that the determination of a five-year-old stuck with me through those next 16 years.

Bryan was the only college I even considered, and there was no question as to what I would do. I wanted to sing. When I finally made it to Bryan, I thought I was ready for everything; but I found out differently. The Lord had a lot to teach me. Each year brought new challenges, troubles, questions, and needs which did not always have the solutions or answers I wanted. I now am beginning to see some of the reasons for the things I went through.

In these last few weeks I have had the opportunity to reflect back on these times with others of my class, and I have seen the way the Lord has worked in our lives, separately and together. There are regrets that come from not getting to know some until almost too late, but also the unique promise that we will be able to spend eternity together.

The determination of a five-year-old brought me a long way—a way of challenge and of beautiful friendships which will last forever.

ALUMNI GLEANINGS

JEAN (NEFF) GALE '44 was honored at a reception in the Culpepper Baptist Church in Virginia for her 34 years of service in Children's Bible Mission since September 15, 1945.

ROBERT W. HARPER x'45 is anticipating speaking engagements at the Fourth of July Family Conference at Greenwood Hills Bible Conference in Pennsylvania, at a Canadian Thanksgiving conference in London, Ontario, and at a U. S. Thanksgiving conference in Columbia, S. C.

KENNETH '47 and Evelyn MARKEN are living in Mentone, Indiana, where Kenneth has been pastor of the First Baptist Church since June 1979. They had spent many years in Richmond, Va., in Christian school ministry. They are glad that out of five children, one daughter, CHRISTINE, graduated with Bryan's class of 1979.

BRUCE '47 and WILMA (WALKER) x'49 ROSENAU have been back in Sibut, Central African Republic, since March 1979 and planned to return to the States so EUGENE '44 and ERNESTINE (HEALAN) '44 ROSENAU could go out. However, the homegoing of Mother Rosenau on December 24, 1979, released both couples for continued service in Sibut. Field reports include a conference with all 42 of the Sibut pastors, a Bongo conference with 315 present, at Grimaria 743 packed the church and five pastors baptized 78 people, and 24 couples enrolled in the new Bible school session which started in March.

PAULA (PORTER) x'47 GRIFFIN and her husband live on a farm in New London, Ohio. Although she is limited physically, they revel in all of God's creation and how graciously the Lord has provided for them.

NELL PEARSON '49 was in the States for three weeks in March in connection with the homegoing of her sister in Texas. She has returned to Austria but plans for her regular furlough beginning December 1980.

BRUCE '50 and NITA (BOOKAMER) x'49 BRICKEL and Lynn expected to go to Africa on May 10 to visit friends and assist with mission work there. Their itinerary included a tour of Europe ending with several days in Scotland and returning to their Indiana home on June 23.

LESLIE '51 and DELLA (HUCK) '50 NAPIER reside in Upperville, Va., where both are teachers in the Fairfax County Public Schools. Leslie is also pastor of Upperville Baptist Church and Della is music director. They plan to celebrate their 30th wedding anniversary on July 13.

BESSIE (DEGERMAN) '53 and Wesley SIMONSON reside in Bemidji, Minn., where Bessie is presently a shut-in suffering from cancer. They continue to pray for Bessie's healing.

ROBERT '54 and Bonnidell (Barrows) CLOUSE reside in Terre Haute, Ind., where Bob has completed 17 years as professor of history at Indiana State University and 16 years as pastor of the First Brethren Church in Clay City. Recent publications include a book, *The Church in the Age of Orthodoxy and the Enlightenment*, Concordia Publishing House, and a textbook, *Streams of Civilization, The Modern World to the Nuclear Age*, Mott Media, which is for teaching world or western civilization to high school students.

BUD '54 and LENORA (GEARHART) '54 FRITZ continue to serve the Lord in Trinidad, West Indies, and are looking forward to the marriage of their second son, Mark, in Kansas City, Mo., at the end of June.

DALE '54 and MARTHA (SHEFFIELD) '55 PAYNE first went to Brazil in 1958—just two people. They reared three children in Brazil and now after furlough will be returning to Brazil in June—just two lonesome parents!

LOIS (FRIESWYK) '56 GOULD identifies May 1 as the date of becoming owner of "our own home for the first time ever" in West Chicago, Ill., and of becoming secretary in Wheaton, Ill., to Conservative Baptist Foreign Missions Africa Field Man, with whom she was associated for 18 years in Ivory Coast.

THANKS

To those who returned the recent **Alumni Survey** form we wish to express sincere appreciation. Some news notes are included in this alumni newsletter and others will be gathered for use in subsequent issues.

PLEASE . . .

If you have not sent in the Alumni Survey sheets, we would like to have them even a little late to help us know when we need to do to improve Bryan's ministry or to know what we are doing satisfactorily. It is especially important to us **to know your present occupation** and how your training at Bryan prepared you for it.

Jim and Louise are active in a teaching ministry in their church at Bonsall.
